Register obžalovaných

Bratislava 1967

## Ú v o d

Z písomného materiálu Krajského súdu v Bratislave sa do Štátneho archívu v Bratislave pri predskartačnom výbere dostali písomnosti, vyžadujúce si z politického, hospodárskeho i vedeckého hľadiska trvalé archívne uloženie.

Praktické využívanie tohto materiálu však vyžaduje podrobnú orientáciu až na spis, čo doterajšia pomôcka /inventár/ nemôže poskytnúť. Preto pre trestné písomnosti III. manipulačného obdobia /1924-1949/, ktoré sú najhľadanejšou skupinou, sme vypracovali register obžalovaných.

Register obžalovaných obsahuje mená všetkých osôb, obvinených z trestného činu, či už v spise vystupovali ako samostatní páchatelia alebo spolupáchatelia. Pre umožnenie presnej orientácie v registri sme všetky mená zostavili abecedne, pričom všade tam, kde sa dali zistiť aj nacionálne, sme ich uviedli. Číslo za menom znamená číslo príslušného trestného konania, lomené rokom, v ktorom sa proces začal. Ak bola nejaká osoba obvinená pred Krajským súdom viackrát, uvádzame v registri všetky čísla trestných konaní i s príslušnými ročníkmi.

Zdôrazňujeme, že prítomný register obsahuje iba tie osoby, ktorých spisy sa nachádzajú v Štátnom archíve; ostatné obvinené osoby sa dajú zistiť iba z pôvodných registratúrnych pomôcok súdu.
